Direct cremation is the cremation of your loved one, without embalming, formal viewing or ceremony. Solace's direct cremation package does not include: any burial services, use of the facilities and staff for funeral ceremonies or memorial services or embalming.

Our charges include:

- Services of a Solace Funeral Director and Solace Staff
- Bringing your loved one into our care and transportation to our facilities (within Los Angeles, Orange, Riverside, San Bernardino and San Diego counties in CA)
- Refrigeration of your loved one (eliminates embalming)
- An alternative cremation container (cardboard container)
- Crematory fee
- Solace temporary urn
- One Disposition Permit
- Return of cremated remains via hand delivery (within Los Angeles, Orange, Riverside, San Bernardino and San Diego counties in CA) or via mail by USPS within the US
- Filing of certified death certificates
- Any applicable taxes

If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The containers we provide are cardboard.

Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any pre-need agreement, in the possession of the funeral establishment, that has been signed and paid for, in full or in part, by or on behalf of the decedent.
